

Kiran Lal J

Front end Developer, UI/UX

+91 9790652026 ✉ kiranlal6dx@gmail.com

📍 Bangalore

PROFESSIONAL SUMMARY

Front-End Developer with 5+ years of experience building responsive, user-focused web applications using React, JavaScript, HTML, CSS, and modern frameworks like Tailwind and Next.js. Skilled in translating UI/UX designs into clean, optimized code with strong attention to performance and accessibility. Background in WordPress, PHP, and digital design tools enhances ability to deliver polished, conversion-driven interfaces.

PROFESSIONAL EXPERIENCE

TECH I.S. India Pvt Ltd

📅 Dec 2019 - Aug 2024

📍 Bangalore

(Formerly, MUSUBI MANAGEMENT PRIVATE LIMITED)

Front End Developer

- Developed responsive, high-performance web applications using JavaScript, React, PHP, and Next.js, ensuring cross-browser compatibility and mobile responsiveness.
- Built and maintained reusable front-end components to enhance development efficiency and ensure consistent UI/UX across projects.
- Managed and updated the company website using modern front-end workflows, maintaining content accuracy and optimal performance.
- Designed and implemented a custom WordPress blog to support company content strategy, resulting in a 25% increase in user engagement.
- Collaborated closely with UI/UX teams to improve design systems and enhance usability for internal and external platforms.
- Conducted A/B testing and front-end optimization to improve user experience and increase interaction rates.
- Supported brand and marketing initiatives by designing front-end assets, micro-interactions, and responsive layouts aligned with brand guidelines.

Golda it solution

📅 May 2017 - Sep 2019

📍 Kanyakumary

UI Designer | GRAPHIC DESIGNER | TUTOR

- Designed UI/UX prototypes for websites and applications, delivering intuitive and visually engaging user experiences.
- Developed responsive and cross-browser compatible web pages using modern HTML and CSS practices.
- Created compelling ad creatives, SMM posters, and marketing collateral for digital and print campaigns.
- Led hands-on training sessions as a creative technology tutor, mentoring students and junior professionals in a wide range of tools including HTML, CSS, PHP, Adobe XD, Figma, Photoshop, Illustrator, Premiere Pro, After Effects, and Flash—bridging the gap between design and development with real-world, project-based learning.
